## Garden Competition 2022

The aim of the competition is to encourage the community to take part in Helston's Harvest Fair, Garden Competition, and take pride in HELSTON. Making it an attractive place to live, work, visit and help to improve our environment!

With a lot of people spending more time in their garden due to lockdown we hope to see some new gardens this year. We like quirky, fun and innovation.

*The competition is open to all residents in Helston.*
